

peptides and the new endocrinology - springer - concept of a 'new endocrinology' [10]. biological actions of peptides common to brain, gut, and skin table 1 lists most of the peptides that have been re- cognized in brain, gut, and amphibian skin either by chemical isolation and characterization, immuno- histochemistry, radioimmunoassay, or bioassay. **peptides in the brain. the new endocrino-logy of the neuron** - peptides in the brain. the new endocrino-logy of the neuron nobel lecture, 8 december, 1977 by ... peptides in the brain. the new endocrinology of the neuron lb fig. 1 : a) diagrammatic representation of the pituitary gland and the innervation of the ... from one, and only one of the peptides, namely h-glu-his-pro-oh, yielded **relaxin: new peptides, receptors and novel actions - cell** - relaxin: new peptides, receptors and novel actions ... cells in the brain, suggesting that relaxin peptides might have important roles in the central nervous sys-tem. rln1-knockout mice show progressive tissue $\tilde{\text{A}}\text{-}\hat{\text{A}}\text{-}\hat{\text{A}}\text{-}\text{bro-}$... trends in endocrinology & metabolism b chain aligns **relaxin peptides are new globalplayers - cell** - trends in endocrinology & metabolism vol.13 no.8 october 2002 ... relaxin peptides are new globalplayers richard ivell and almuth einspanier relaxin (rlx) has come of ageom being one of the earliest hormones ... hormones have recently been identified,one specific for the brain,the other **hormonally active brain peptides - rd.springer** - plenum press $\tilde{\text{A}},\hat{\text{A}}$. new york and london . library of congress cataloging in publication data main entry under title: hormonally active brain peptides. (biochemical endocrinology) sponsored by the international foundation for biochemical endocrinology. includes bibliographical references and index. **prolactin-releasing peptide: a new tool for obesity treatment** - from the periphery to the brain is complicated because peptides have a low stability and ... considerable effort has been made to design new drugs based on peptides in order to produce stable analogs with ... of endocrinology obesity. peptides. of ... **delayed metabolism of human brain natriuretic peptide ...** - delayed metabolism of human brain natriuretic peptide re $\tilde{\text{A}}\text{-}\hat{\text{A}}\text{-}\hat{\text{A}}$,ects ... 1department of endocrinology, christchurch hospital, christchurch, new zealand 2department of ... 30 min. eluted peptides were ... **prolactin-releasing peptide: a new tool for obesity treatment** - spite of their clinical potential, native peptides have several limitations: poor bioavailability, low stability in the organism and difficulties to cross the blood $\tilde{\text{A}}\text{-}\hat{\text{A}}\text{-}\hat{\text{A}}$ “brain barrier (bbb) after peripheral application. therefore, a considerable effort has been made to design new drugs based on peptides in order to produce stable analogs with **ascidians: new model organisms for reproductive endocrinology** - ascidians: new model organisms for reproductive endocrinology 317 3.1 tks in c. intestinalis tks are vertebrate multi-functional brain/gut peptides involved in smooth muscle **the endocrinology of the neuron - link.springer** - the endocrinology of the neuron ... peptides and the brain 3 ... this new view of the neuron is based on new morphology elucidated by means of the electron microscope. much of the discussion that follows is based on a recent review by schmitt, dev, and smith (2) and on the text of the proceedings of a meeting ... **the year in endocrinology - springer** - the year in endocrinology 1977 edited by sidney h. ingbar, m. d. professor of medicine, harvard medical school director, thorndike laboratory of harvard medical school at the beth israel hospital boston, massachusetts plenum medical book company new york and london **review sleep and metabolism: shared circuits, new connections** - sleep and metabolism: shared circuits, new connections ... peptides regulated in the striatum following acute administration of psycho-motor stimulants. cart peptides are widely expressed in the central and ... review trends in endocrinology and metabolism vol.19 no.10 363. the sleep-wake cycle) [1,3]. for instance, mice have a **immunochemical evidence for a gastrin-like peptide in ...** - general and comparative endocrinology 32, ... (1977) immunochemical evidence for a gastrin-like peptide in insect neuroendocrine system karl j. kramer, roy d. speirs, and cynthia n. childs united states grain marketing research center, agricultural research service, ... cholecystokinin-like peptides in brain. nature (london) 264, 568-570 ... **peptidesin the brain: endocrinology oftheneuron - science** - national research and exchanges board, new york), m. f. hawthorne(university ofcalifor-nia, losangeles), n. holonyak,jr. (university ... peptides provedto bedevoidoftfrac-tivity, confirming the

earlier results of schally et al. (10, 11). our response to these negative results differed, however,
